

All COVID testing

UNC
HEALTH
Blue Ridge

Do you need a COVID test?

UNC Health Blue Ridge is conducting all COVID-19 tests by appointment at Valdese Express Care. **Please use the link below to make an appointment.**

WHEN YOU ARRIVE at your appointment time, please remain in your car and follow the signs for testing information.

RAPID PCR TESTS ARE LIMITED and may not be available at the time of testing; however, we do have access to PCR testing that has a 24-48 hour turnaround time. Also, since we have a high volume of testing needs, there may still be a short wait for testing, even if you have an appointment.

To make a COVID testing appointment,

- go to uncbr.org/test
- scan QR code
- call 828-580-7387
